Successful, happy, safe

October 3rd 2013.

Children coming to school by bike or on scooters.

Dear Parents and Carers,

Many children are coming to school by bike or on scooters and whilst this is great for fitness, many parents have informed me that they have seen children who are putting their safety at risk.

It appears that some of these children are riding on the pavements and then 'jumping' off into the road to get past pedestrians.

Other children are riding over the zebra crossing at speed and are not looking for oncoming traffic.

Other children are 'racing' along the pavements and pushing each other as they do.

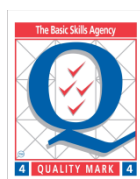

Other children have been seen 'racing' down the school drive whilst other vehicles have been using it.

In light of these concerns, please ensure, that if your children are coming to school on bikes or on scooters, they are accompanied by responsible adults.

Thank you for your anticipated support.

Yours sincerely,

J M Stringer.
