Parking & Vehicle Movement

We have once again had a report of a near miss just outside school for one of our children at collection time. I would like to remind you to be careful of all our children's safety before and after school. Thank you.

Gate

After half term the gates on the Mansfield Road/Broomfield Avenue entrances will remain open until 9am. This means we will no longer need members of staff on these gates anymore. Instead, we will have a member of school staff supervising the gate near Y4 leading onto the bottom playground. When bringing your child/ren to school, please therefore be advised that you will now need to bring them into the playground for them to be supervised from this point.

Sports

We now have a sports round-up going out to parents which is available on our Parent Hub app. We have recently had some tremendous successes, winning the local athletics competition, so I hope you enjoy reading this on the app. If you are not signed up for the app, please contact the school office.

Cresswell Craggs

Our Y3s visited Cresswell Craggs last week in what was a wonderful trip - for both staff and children! We are all really proud of the children for how well they represented our school and the members of Cresswell Craggs would also like me to pass on the following message: "Cresswell Heritage Trust would like to thank your school for visiting and hope all the children had a fantastic new & unusual learning experience. We would love to welcome your family & friends back so your child can share this experience with you. For more information contact 01909 720378 or view the website www.cresswell-craggs.org.uk"

Maths Workshops

Thank you to all of you who could make our Maths Workshops on Wednesday this week. Attendance was excellent, we hope you enjoyed the evening and found it informative. Thank you to all of the staff for staying and supporting, as well as the children who were chosen to demonstrate how Maths is taught and learned in school - you were great! Thank you also to Mrs Greaves for organising such a terrific event.

Climbing Wall

The climbing wall is provided and available for use by pupils at the school during the school day when school staff are available to supervise its use. Thank you for not allowing your children on the equipment at any other times, even if supervised by yourself.

Thinking Day, Afternoon Tea & Beat The Street

Today saw us support 'World Thinking Day'. Some children were also chosen again to have Afternoon Tea with me and a governor in celebration of their hard work and effort during this half term. A big well done to these children and I look forward to the next visitors in April!

Breaking Up

We wish you all a happy and enjoyable half term. We look forward to your return on Tuesday 25th February as Monday is an INSET day and school is closed to children.
