Successful, happy, safe

January 2017.

Dear parents/grandparents and carers

My name is Clare Wheeldon and my role within your child's school at Hasland Juniors is to provide advice and guidance to parents, grandparents, carers and anyone else who may have worries about a child and or their family.

I have extensive knowledge and understanding on child development, attachments, behaviour management, children with additional needs, disability services, financial and housing support, domestic violence and substance misuse, and the impact these can have on families and children and where to seek support from.

I'm available in school every Thursday afternoon from 2:45 till 4pm based in the meeting room; you do not need an appointment as I offer an open door service although appointments can be made should you feel the need for a specific day and time.

No referral from school is required to access my support please come along to the meeting room during the times stated above and I'll be more than happy to listen to you and provide you with advice and guidance on a range of topics.

Information shared is confidential and will only be shared with appropriate agencies should consent be given.
