Safeguarding:

Parking and traffic around school:

Please can **all** parents/visitors to HJS & Hasland Hall school use the designated parking bays. The blocked paved areas around Hasland Hall are pavements for the pupils to use. The green gates leading to HJS are shut in a morning and evening to ensure that children leaving school are safe and are not meeting traffic.

Also we have been asked to pass on information relating to the old junior school site. Parking on this site is not available for children attending HJS as there is a health & safety issue with vehicles trying to leave the car park and not giving due care to pedestrians.

Thank you for helping to keep our children *happy and safe!*
