Y4 Swimming: -
Swimming sessions begin at 12.45 pm. Please bring swimming kit to school in the morning.

Year 6 SATs Testing 14th June - 17th June and Breakfast club

Key stage assessments are taking place this week. It is vital that the children have full attendance during the week and that they arrive promptly for the beginning of the school day.

The year 6 classrooms will be open for SATs week from 8.45 am Monday - Thursday to offer the children the chance to attend a free breakfast club where, cereal, fruit, yoghurts and squash will be available. Calming music will be played in the classrooms and it will be an opportunity for the children to have a relaxed beginning to the day to ensure that they are in the best frame of mind to reach their potential.

Timetable

	am
Monday	Grammar & Spelling Test
Tuesday	Reading
Wednesday	Maths Paper 1 and 2 (written arithmetic & reasoning)
Thursday	Maths Paper 3 (reasoning)

Year 6, you have worked hard throughout the year and the school wishes you every success.

Mobile Phones:

We appreciate that in some cases it may be necessary for your child to bring a mobile phone to school. The number being handed in at the office seems to be increasing again.

However, if your child brings a phone to school on a regular basis, we would ask you to consider whether this is a good idea.

Phones should be handed into the school office before entering the school playground in a morning.

Thank you for your support.

School Crossing Patrol:

We are very lucky to have two ladies who work at the school and therefore know the children who they help to cross the road safely, in a morning and in an afternoon.

Leading busy lives, in the rush to get children to school, we forget that the job they do can put their safety at risk, not to mention the children who they are escorting across the road.

For this reason, zig-zag lines are painted on the road on either side of the zebra crossing. These lines are

there to prevent vehicles parking and blocking the view of other motorists, giving them clear sight of people who may be on the crossing. Please, please, please can you observe this highway code rule (which is a legal requirement), and not use the area around the zebra crossing to drop your child off. We know that you respect the safety of both the crossing ladies and the pupils. Thank you for keeping our children safe.

they looked at how the Earth rotates to create night and day and the apparent movement of the sun across the sky and how this affects the weather.

Outside learning:

Children are now out enjoying the open spaces in the Garden area. New fencing ensures that it is a safe and secure place for them to interact with their peers.

You will have received a letter this week from the Vice Chair of Governors, Pauline Wilkie who has been preparing the raised beds. We would be grateful for any donations of cuttings, plants, bulbs and seeds to help fill the beds and create a spectacular display. Already some children have become involved in this experience.

And...
After... with
your support.
