Bollywood Miss Shanahan ALL YEAR GROUPS	Rounders Miss Jones Open to all year groups		Cricket Mrs Blair ALL YEAR GROUPS	

MAT Team:

Clare Wheeldon a member of the MAT team will no longer be available in school on a Thursday afternoon from 2.45 pm - 4 pm as she has taken up a new post.

As you know Clare has been providing support and guidance to parents, grandparents and carers on a range of topics.

Should you have any concerns about your child and wish some support, talk to your child's class teacher or arrange to meet with Mr Stringer.

Mobile Phones:

We appreciate that in some cases it may be necessary for your child to bring a mobile phone to school. The number being handed in at the office seems to be increasing again.

However, if your child brings a phone to school on a regular basis, we would ask you to consider whether this is a good idea.

Phones should be handed into the school office before entering the school playground in a morning.

Thank you for your support.

Year 3: Bike Ability

Level 1 gives you the skills to ride your bike with excellent control.

This will prepare you for cycling on the road. At level 1 you can:

- Prepare yourself and your bike for cycling
- Get on and off your bike without help
- Start off, pedal and stop with control
- Pedal along, use gears and avoid objects
- Look all around and behind, and control the bike
- Share space with pedestrians and other cyclists

On Friday, in the beautiful morning sunshine, pupils from Year 3 began their training. A second group will begin on Monday and due to a surge in interest a further session will be held later in the term.

Here they are showing how they have learned to control their bike and be, 'comfortable, confident and safe in the saddle'. Further information can be found on bikeability.org.uk, where there are resources to download.

Fun to Run...

...and that is what pupil's from year 3 clearly did on Thursday afternoon at Holmebrook Valley Park. Fastest girl's time for Hasland Junior school was Tilgerlily Stimpson who finished 8th and Max Burton for the boys who finished 15th.

Well done to the whole team!

Outside learning:

You may have noticed that the school is having work carried out on the woodland and garden area. New Astroturf is being laid around the rear of the school to allow areas for children to sit and the woodland area has been cleared and rotavated. Top soil will be laid to even out the lumps and bumps followed by seeding and will provide a lovely shaded area for children to enjoy at breaks.

Watch this space to keep updated with how the project is proceeding.

You may be surprised with the wow factor.

Sleep over: Friday 20th April

A reminder that tonight a Sleep over is taking place in school. Children attending should arrive at school between 7 pm and 7.30 pm wearing their pj's. They will need a bag containing clothes for the morning, toothpaste and brush. During the evening the children will be given a hot drink and biscuit before bed, but they can bring a small quantity of treats to share. An opportunity to watch a movie will be given and we would ask that no electronic devices are brought in.

Please collect your child from school on Saturday 21st April, no later than 8.30 am.

Thank you for your support and a thank you to all staff who have volunteered to be a part of this evening, I'm sure we will have fun!
