Sports Relief 2018

is for a whole week this year (19th-23rd March) with a main focus on 'Whatever gets you moving'. Sports relief brings the nation together to get active, raise money and change lives. It would be amazing if you could team up with us and help smash our fundraising target. The money we raise will help people living tough lives in the UK and in some of the world's poorest communities.

I would however like you or any of your family members to join in! Please download the Sports Relief app on to your smart phone, and if you have a sports watch you can sync it so it tracks how many steps you do. You can also do this for the children if they have a fitbit. As this year is all about moving, I have set up a league on the app. Please follow <https://app.sportrelief.com/leagues/hasland-junior-school-19d62cbd/invite> to join! (If you have any issues doing this please come and see me and I will try and sort it out!)

Sports relief merchandise is on sale in Sainsburys should you wish to purchase anything, and in addition we will be selling the wrist bands in school all week for £1.

Yoga

The whole school, led by Miss Parkinson, were given a taster session on Thursday. They learned positions such as the plank, spiderman and the uphill climb, as well as learning to relax and take time for themselves.

World of Work Assembly Beautician:

Perhaps we should ask Mr Stringer if he would recommend aspiring to be a Head Teacher?

Thank you to Mrs Cotterill who explained the 'therapeutic benefits' of the treatments she gives to her clients and the pleasure she gets from her work!

I understand that Mr Stringer is arranging to have the other leg waxed soon!

Consultation Evening

Thank you to all parents and carers who attended appointments to discuss their child's progress. We hope you found the opportunity to speak with class teachers informative and positive.

World Book Day

From Where's Wally to Fantastic Mr Fox, staff and pupils provided a full library of characters.

KP Class Assembly

Parent and Carers were taken back to the 1940's this morning as pupils from Miss Parkinson's class gave a historical account of the outbreak of World War II. Through stories, poems and facts we were told about the Blitzkrieg, which, we were told means 'rapid attack'. Heart-breaking words, from a diary extract, were used to describe what it must have been like to be evacuated. We were reminded of the morning spent building Anderson Shelters and some pupils gave their evaluation of what they had gained from the activity. The singing and dancing that was also a part of this morning's assembly brought out that feeling of 'standing together' and perhaps at this Easter time, we will reflect on how fortunate we are.

Have a very Happy Easter Holiday.
