Sports Relief 2018

is for a whole week this year (19th-23rd March) with a main focus on 'Whatever gets you moving'. Sports relief brings the nation together to get active, raise money and change lives. It would be amazing if you could team up with us and help smash our fundraising target. The money we raise will help people living tough lives in the UK and in some of the world's poorest communities.

I am excited to tell you we shall be taking part in a range of activities and the children will be trying to be as active as they can, including daily walks around Hasland. In addition, there will be daily challenges, the opportunity for the children to walk or run a mile a day and a chance to take part in some yoga, fencing and samba activities! To encourage the children to be active I am sending home a sponsor sheet and am asking if you would sponsor them to be as active as they can during the week. Our school target is £400 and I am sure we can achieve this!

I would however like you or any of your family members to join in! Please download the Sports Relief app on to your smart phone, and if you have a sports watch you can sync it so it tracks how many steps you do. You can also do this for the children if they have a fitbit. As this year is all about moving, I have set up a league on the app. Please follow <https://app.sportrelief.com/leagues/hasland-junior-school-19d62cbd/invite> to join! (If you have any issues doing this please come and see me and I will try and sort it out!)

Sports relief merchandise is on sale in Sainsburys should you wish to purchase anything, and in addition we will be selling the wrist bands in school all week for £1.

The children can come to school all week in sportswear and trainers will be very much needed! (Please be aware Wednesday 21st is Book Day so the children don't need sports kits that day).

World Book Day

Please note that due to the adverse weather the date for dressing up has changed to March 21st.

Year 6 CB Class Assembly and Construction Morning.

Year 6 demonstrated their learning of World War II by re-enacting how life was for people in Britain and Germany.

Thank you to the many parent/carers who came into school to lend their skills

and construct Anderson Shelters.
