More News:

Design and Technology Morning: 13th February 2018

This week pupils in Year 6 have used their research knowledge of WWII and created an Anderson Shelter with the help of a design plan with measurements.

Using wooden batons, corrugated card, PVA glue and glue guns, they were able to practice their skills of construction and build the framework of their design, all watched over carefully by the many parent and carer helpers who spent the morning with us.

REMEMBER TO READ NEXT WEEK'S NEWS LETTER IN OUR NEWS

Next edition: 2 Mar 2018

Clearly we have some talented Design and Technology pupils, the models from Year 6LG/RR & 6KP.

Viking Assembly 4DS Friday 16th February 2018

Parents and Carers of Year 4, Miss Shanán's class, joined us this morning as they showed what they have learned about the Vikings and their way of life.

A wince or two could be heard as the children acted out a medical scene. A Viking Fashion show explained how and why Vikings dress and we were told how the Vikings were fearless warriors.
