More Important News:

All year groups this week were exploring the world of science...

Year 3 pupils were learning about making an object float...

Year 4 were learning about light....

'Working Scientifically', they found out which materials stopped light passing through them.

Year 5 were learning about electricity

Does electricity pass through all materials?

Pupils work scientifically by testing the effect of changing one component of a circuit.

Year 6 were learning about forces: lift, thrust, gravity.

Pupils work scientifically by making a variety of paper aero-planes and carrying out fair tests to determine which designs flew the furthest.

Just a

REMEMBER TO READ NEXT WEEK'S NEWS LETTER IN OUR NEWS

Next edition: 17th Nov 2017

And finally this week....

Year 4 were seen in Eastwood Park, Hasland.

Working in partnership with Chesterfield in Bloom they were busy planting bulbs which will appear next spring for us all to enjoy....
