Next edition: 9<sup>th</sup> June

We meet Wormy, Grub and Maggot, nature's recyclers, and watch Spud, a tough potato, narrowly avoiding being thrown in the cooking pot. Tattie, Pickle and Old Bean are less fortunate. We learn about Fairchild's experiments with plant cross-fertilization and enter his hothouses where exotic flowers sing and dance. In the orchard Pipsqueak and Old Fruit cling to their branch for dear life, while Fairchild's ragamuffin helpers dance to the sound of London bells after their hard day's work.

Another round of applause for these talented performers!

## Year 6: Fire Safety:

### School Council representatives Madison (6LG) & Evie Bell (5CH) report:

Firemen came in today 24<sup>th</sup> May. Steve the Fireman talked to year 6 about fire safety and how to escape fires safely. He gave us a sheet for us to plan 3 fire escape routes for our homes. The routes depend on how bad the fire is. We know the fire triangle -fuel, oxygen and heat. We learned what things fuel a fire such as cigarettes and wood. We were told to crawl to safety so that we don't breathe in the toxic smoke. I now feel safer as I understand how to escape should a fire start and the importance of a fire smoke detector. Thank you Steve.

## Swimming Gala:

A number of Year 6 pupils and one from Year 5 went with Mrs McKinnon to a Swimming Gala Competition held at Queens Park Sports Centre and finished in third place.

Madison R. (6LG).

## Athletics: Quadkids After School Club

A FUN hour of sprint, long distance, standing long jump & javelin with Miss Parkinson.
