Announcement of the retirement of Mr. Stringer:

It is, with much sadness, that I write to inform you of my decision to retire at the end of this academic year.

I have worked as a head teacher in several Derbyshire schools for almost thirty years and this, although hard to believe, is my seventh year at Hasland Junior.

Leaving such a brilliant school which is filled with such amazing people will be incredibly hard for me and I write this letter not only with many happy memories but also with genuine tears in my eyes.

Your children have been an absolute delight to work withThey are incredibly hard working and have such amazing talent, but more importantly, they are wonderful people who I love spending time with.....I will miss each and every one of them.

You also need to know just how amazing the staff and governors are at Hasland Junior Schooland I should knowI have worked with many in my time ! They also work incredibly hard and give so much to the children in our school. I could not have hoped to work with a more hard working and committed group of people in my final school and I will miss them also.

And finally, there are many parents and carers who I will also miss.....To those parents, I have really appreciated your support, your kindness and your commitment to the children and our school and it has been a pleasure to work with you too.

Just so you are aware of what happens now, I will remain in school until the end of the Summer term.....Monday July 22nd will be my last day as Headteacher.

The Governors are currently in the process of placing an advert for the appointment of the new Headteacher and I will keep you informed of any developments.

Whilst this is a sad time for me, it is a very exciting time for the school and I know the new Headteacher will be taking on a brilliant school and will be able to work with everyone involved to make it even better possibly even the Best School In the World!
