

Hasland Junior School

Headteacher's Newsletter

Thursday 24th October 2019

End of Half Term

I would like to begin this newsletter by saying what a pleasure my first half term has been here at Hasland Junior School. I have met the most remarkable children, incredibly talented staff and fantastic parents / carers. I always knew I had made the right decision to move here, but the first half term has certainly confirmed this and I would like to thank you all for the support, friendliness and positive comments I have received. I feel truly grateful to work in, what the children quite rightly describe, 'the best school in the world'. I am already looking forward to what we can achieve next half term!

Curriculum Intent

Thank you for the replies we have received to date regarding our curriculum intent. The deadline for contributing to this as parents / carers has now passed.

Mobile Phones in School

As you will be aware from my previous newsletter, we are asking children not to use mobile phones in school, even after school has finished. Just a reminder that if we see children doing this, we will be contacting parents / carers and possibly asking for phones not to be brought to school by these children. No mobile phone use in school, as from next half term, will also extend to all visitors, including parents / carers and so we ask that all mobile phones are not used when inside the school building unless prior permission has been sought by the headteacher. This is to support school safeguarding.

Boys Football

As you will be aware, the boy's football team played the first round of the Y5/6 football competition at Hasland Hall on Thursday 17th October against Brimington and St Marys. They won both of their matches gaining them a place at the finals on Tuesday of this week at Brookfield. They played brilliantly, winning four out of five matches and losing one. It was a close win and they ended up coming second on goal difference. Well done to all the boys. You represented the school well and were a delight to take.

INSET

Just a reminder that school closes today for half term, therefore children are not in school tomorrow. School re-opens to children on Monday 4th November. I wish you and your child a restful and enjoyable half term break.
