Welcome Back

Welcome back to our second half term of the year. I am really looking forward to seeing what we can achieve this half term, who might win afternoon tea with me and the governors as well as looking forward to the festive period approaching!

Attendance

Attendance, including punctuality, is monitored regularly in school. Larger reviews of attendance are conducted at the end of each half term. Very shortly, parents / carers will be written to where their child's attendance causes concern. You might feel there has been legitimate reason for the absence. However, regardless of the reasons, if a child's attendance falls below 90%, they are considered as persistently absent as defined by the government. Please contact school upon receiving one of these letters if you would like to talk about it in further detail.

Parking at the Old Junior School Site

We have been asked by the management of those on the old Junior School site to not use their car park for school parking. Please be considerate by parking elsewhere. Thank you.

Healthy Tuck Shop

Our healthy tuck shop re-opens tomorrow. Children will be selling fresh fruit available from 20 pence. As a school we will be monitoring snacks carefully to ensure we support your child in making healthy choices. This is therefore a perfect way to provide your child with a healthy snack for break time.

Safety

For those who have already enjoyed a bonfire and fireworks celebration, I hope you had a great time. For any of you who are yet to attend one, I hope that you enjoy it and remain safe.
