Successful, happy, safe
September 8th 2017.

Dear Y3 Parents,

Well, here we are at the end of the first week already and from what I have seen and from what I have been told by the Y3 teachers, the children seem to have settled really well and appear to have been having a great time at the Juniors.

I think Hasland Juniors is a lovely school, both to work at as a member of staff and I hope, to attend as a pupil and this is partly because of the partnership which exists between all those involved.....home....school and child.

This partnership is the key to a successful and happy school and if any one of those parties fails to support the others, problems occur.

I would therefore like to invite you to 'join' this partnership.

Your child should have brought home a copy of our Home- School- Child Agreement.

We would be grateful if you could talk through this agreement with your child and to explain to them what each of the statements mean.

If you feel that you can support the school and your child's learning by agreeing to the Parent / Guardian section, please sign and date it. Likewise, if your child feels that they can play their part in making our school safe, happy and successful, please ask them to sign the child's section.

We would be grateful if this could be returned to school by **Friday 15th September** at the latest.

I thank you in anticipation of your support and look forward to working with you over the next four years.

Yours Sincerely,

J M Stringer
